**GEORGE S. ROWE**

**1870 - 1959**

The Town of Newton, N. H. lost one of its most loyal citizens on December 27, 1959 in the passing of George S. Rowe. A lifelong resident of Newton, he took great pride in the fact that he had never missed casting his ballot at any election since attaining his majority, until the 1959 town election when his physical condition prevented it.

Mr. Rowe was born in Newton on October 21, 1870 and was married to the late Sadie E. Austin by whom he had two sons, Stacy B. and Kenneth B., who survive him.

Mr. Rowe took great interest in civic affairs. A Republican, he was elected Representative to the State Legislature in 1911 and served until 1915. He was elected Selectman in March of 1916 and served one year, during the period when all Selectmen were elected annually. He served as a Trustee of Trust Funds, also as a Highway Commissioner for 15 years.

Mr. Rowe, a farmer, conducted a grocery store at Rowe's Corner for several years; represented the Rockingham Farmers Insurance Co. as an agent; was a former member of the Odd Fellows, A.O.U.W., Jr. O.U.A.M., and belonged to the First Christian Church.

Recognizing the qualities exemplified during his life time, the citizens of Newton might well emulate his example. We extend our sympathy to his sons.

### THE STATE OF NEW HAMPSHIRE

---

(L.S.)

To the Inhabitants of the Town of Newton in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Town Hall in said Newton on Tuesday, the eighth day of March, next at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
3. To hear reports of Town Officers and pass any vote relating thereto.
4. To see if the Town will vote to authorize the Selectmen to hire money in anticipation of taxes.
5. To see if the Town will vote to authorize the Selectmen to sell property acquired by Tax Collector's Deed or through Old Age Assistance; or any other property of the Town not used for public purposes.
6. To see if the Town will vote to discontinue the present discount rates on property taxes and substitute a 2%-15 days from-date-of-bill discount

7. To see if the Town will vote to discontinue the registration of bicycles.

8. To see if the Town will vote to authorize the Selectmen to fix the rental fee and rules in regard to use of the Town Hall; or take whatever action they deem necessary.

9. On petition of ten legal voters of Newton: To see if the Town will vote to raise and appropriate the sum of Five Hundred Dollars (\$500.00) to help defray the expense of remodeling Engine No. 4 of the Newton Fire Dept.

10. To see if the Town will vote to raise and appropriate the sum of Six Hundred Dollars (\$600.00) to purchase a new Snow Plow Blade for the Highway Department.

11. We, legal voters of Newton, State of New Hampshire, by affixing our names to this paper do hereby show agreement to having an article in the Town Warrant to have a street light and maintenance of same near the residence of Eben Stronach and John Marden.

12. On petition of David E. Kimball and ten other legal voters of the Town of Newton, we wish to apply for a street light at the Newton Junction Trailer Park.

13. We, the undersigned, request the following petition be included in the Town Warrant: To see if the Town will vote to install two street lights on Pond Street and maintain same; one near the residence of Frank E. Wentworth and one near the residence of Leslie Walters.

14. On petition of ten or more legal voters of the Town of Newton: To see if the Town will vote to install one street lamp at the first entrance of Marcoux's Grove and Pond Street.

15. We, the undersigned legal voters of the Town of Newton, New Hampshire, submit this petition to see if the Town will vote and raise the sum of, or not more than, Three Hundred Dollars (\$300.00) to be used at the discretion of the Newton, New Hampshire, Industrial Committee.

16. To transact any other business that may legally come before said meeting.

Given under our hands and seal, this thirteenth day of February in the year of our Lord nineteen hundred and sixty.

JAMES A. MARDEN

ROBERT E. FRYER

Selectmen of Newton.

## REPORT OF TOWN MEETING

NEWTON, N. H.

MARCH 11, 1959

The meeting was called to order at 8 p.m. by the moderator, Clifford R. Bryer, who called on the Rev. Wendell J. Irvine to open the meeting with prayer.

**Article 1.** Results of the balloting on Tuesday, March 10th, for town officers was read by the moderator. On motion of John Fenn for the Finance Committee it was voted that all Town Officers not elected by ballot be appointed by the Selectmen.

**Article 2.** John Fenn for the Finance Committee moved the acceptance of the list of estimated expenditures for the ensuing year 1959, appearing on pages 10 and 11 of the 1958 Town Report, excluding the item of School Taxes, as the Town Budget for the year 1959, and moved the raising and appropriation of an amount necessary to cover the same. The motion was seconded, and it was a vote.

**Article 3.** On motion of John Fenn for the Finance Committee, it was voted that the reports of the Town Officers be accepted as printed in the Town Report.

**Article 4.** On motion of John Fenn for the Finance Committee, it was voted that the Selectmen be authorized to hire money in anticipation of taxes.

**Article 5.** On motion of John Fenn for the Finance Committee, it was voted to authorize the Selectmen to sell property acquired by Tax Collector's Deed or through Old Age Assistance; or any other property of the Town not used for public purposes.

**Article 6.** On motion of Wallace Nyberg, it was voted to raise and appropriate the sum of \$525 to purchase an automatic sander for the Highway Department.

**Article 7.** It was voted to raise and appropriate the

sum of \$800 to construct a fire well near the residence of Ada Fowler.

**Article 8.** After discussion, and explanation of details by the committee, it was voted to raise and appropriate the sum of \$2,600 for lowering and replacing ceiling and repairing and repainting interior of Town Hall as per report of committee appointed in 1958.

**Article 9.** A motion was made by John Fenn that this article, to raise and appropriate the sum of \$500 for new lights, switchbox and rewiring the Town Hall be accepted. An amendment was voted that this article if accepted be put out to bids, and the article as amended was a vote.

**Article 10.** A motion was made and seconded to have the Chief of Police elected by ballot at the annual town meeting held in March, and all other police officers, other than Constables, be appointed by the Selectmen. Mr. Bates and Mr. Storey were appointed as tellers, and the voters proceeded to ballot on this motion.

The motion was lost, 52 No, and 48 Yes.

**Article 11.** It was voted to permit the Newton Junction Firemen to construct heating ducts from the furnace in the Fire House into their meeting hall. All costs of construction to be borne by the Newton Junction Firemen's Association. All costs of fuel over and above the existing appropriation from the Town also to be borne by the Association.

**Article 12.** A motion was made that this article be accepted, to raise and appropriate the sum of \$4,500 to remove and replace the old wooden bridge at entrance of Wilder's Grove with an 84-inch metal culvert. This amount includes grading, and the installation of guard rails. There was some discussion, and an explanation that the state will reimburse \$1,986.31 of this amount. Mrs. Case called for a ballot vote. The moderator asked if the voters wished a ballot vote, and the count was 39 yes and 50 no. However, Kenneth Field stated that when a certain number of voters called for a ballot vote, it must be allowed. The moderator consented to proceed to ballot, and the vote was 81 yes, and 9 no, and the article was accepted.

**Article 13.** On motion of Ralph Roberts, town chairman for CONSIT, it was voted that the Selectmen of Newton petition the State Tax Commissioner of the State of Massachusetts, requesting that 60% of the income derived from Newton residents who pay the non-resident income tax to the State of Mass., be returned to the Town of Newton at 6% interest, for the purpose of reducing the property tax levy in Newton, N. H.

Wm. Foley made a motion that the selectmen contact the B. & M. Railroad to see if we can get a wigwag at Crane's Crossing. The motion was seconded, and it was a vote.

R. Nillson made a motion that the purchases and/or services of professional skills that are required by action taken on articles 6, 8, and 12, be obtained or contracted for, with businesses or service companies that are located within the State of New Hampshire. (CONSIT wishes to boycott Mass.) After discussion an amendment was voted to add the words "where feasible". The motion as amended was voted.

On motion of Howard Bowen, it was voted that the Town set up a Planning and Development Commission of five members, to be appointed by the Selectmen; and to include one member from the Lower Village, one member from Marcoux Grove, one member from Wilder's Grove, one member from Newton Junction, and one member from Newton Center; the purpose of which is to interest people and industries in settling in Newton.

Robert Fryer reported for the committee which tried to establish boundaries on the Country Pond Road. They conferred with Haverhill Boys' Club, and with Geo. R. Scammon, legal advisor, and found it was not advisable to continue with the project brought up last year. On motion of Ralph Roberts, it was voted that we forget about this piece of land, and not spend any more money on it.

It was voted to adjourn at 10:25 p.m.

## REPORT OF THE GALE LIBRARY TRUSTEES

With the assistance of Mrs. Rachel Sanborn, assistant state librarian in charge of the Exeter Branch of the N. H. State Library, the trustees and librarian adopted and completed a weeding-out project and rearrangement of special areas. Many badly worn and out-moded books were discarded. The Youth section was moved to the front alcove, opposite the Children's section, and adult non-fiction was moved to shelves back of the librarian's table. We felt it would facilitate finding materials by the patrons.

Much credit goes to Mrs. Sanborn who spent four days with the trustees and librarian, advising and working, and to Mrs. Hatch, the librarian for the many extra hours required in the rearranging of the file system. We have been most fortunate to have been the recipient of a librarian's desk, through the courtesy of the Turbine Division of the General Electric Co., River Works, where Mr. Webber is employed.

We felt it necessary to have the library lot surveyed again, as some of the corner posts could not be located. Ralph Brasseur, Haverhill, was procured to do the work and to place permanent corner posts. Several screens which had been damaged beyond fixing by Hallowe'en pranksters have been rescreened with aluminum screening and repainted. A cellar window which had been damaged was also replaced. The Haverhill Sign Co. was engaged to repaint the outdoor sign. We have increased the insurance \$1,000.

We are once again indebted to the Kingston-Newton Garden Club for placing floral arrangements in the library for the public's enjoyment. Also to the friends of the library for their gifts of books and magazines. We find the Bookmobile of inestimable value due to the decreasing purchasing power of the dollar, increased prices, and the fact that we work on a very tight budget.

National Library Week was observed with an exhibit of hobbies of several residents and a poster display by children of the Village School. The posters were judged and prizes awarded the winners.

To those of you who do not patronize the library may we say "Why not come in and acquaint yourself with what the town has to offer you and receive a benefit therefrom?"

## POLICE CHIEF'S REPORT

---

To the Board of Selectmen  
Newton, N. H.

Gentlemen:

The Chief of Police of Newton, N. H., does submit herewith his report of actions of the Police Department for the year ending December 31, 1959.

The town of Newton is now protected day and night by three (3) two-way radios. Two of these radios were purchased by the police department because the police department personnel donated their time and mileage for the entire year of 1959.

These two-way radios give us instant communication for any emergency that may arise in town.

During 1959 the Newton Police Association was formed for the express purpose of raising money to buy equipment which the department needed to more efficiently carry on with their work.

Also the Police Association was formed so the officers of the department could have regularly scheduled meetings throughout the year.

A Hallowe'en party was held at the town hall for the children of the town sponsored by the Newton Police association.

The Hallowe'en party was made possible by the generous contributions and support of the townspeople and merchants.

Also, I would like to thank the many people who have so generously donated their time and money to the various youth organizations in town.

I believe that these efforts for the youth organizations of the town have helped erase any signs of Juvenile Delinquency in our town.

I also believe continued support of the various youth organizations in town will prove very rewarding in the future.

In conclusion I wish at this time to thank all the citizens for their kind cooperation during the past year.

Respectfully yours,

RICHARD S. HANSON,

Chief of Police.

## FIRE CHIEF'S REPORT

---

### Prevention Is Everybody's Business

The year 1959 was fortunate from a forest fire standpoint. New Hampshire had the best record in the nation. Fewer acres were burned, suppression costs were substantially reduced and damage to woodlands held to a minimum. The record resulted from a combination of favorable weather conditions, an alert warden service and a cooperating public.

Yet, despite all this, there still persists a disturbing note: 58%, or 6 out of every 10 fires in 1959 were caused by careless smokers and debris burners.

10%, or 1 out of every 9 fires was caused by children.

Careless, indifferent, thoughtless and independent minded individuals and failure of parents to properly supervise children and keep matches out of their reach, annually cause these unnecessary fires which cost large sums to extinguish and cause extensive damage. The elimination of these three causes of fires would radically change this picture. The rules are simple —

1. Before burning, secure a permit from your local forest fire warden — the law requires it.
2. Be sure to properly supervise your burning.
3. Make certain your fire is DEAD OUT before leaving it.
4. Don't throw lighted matches, cigars and cigarettes from moving vehicles — use your ash tray.
5. Don't burn at home — Use your town dump and save yourself much possible difficulty, both personal and financial.

Number of local fires 11  
 Number of acres burned 6  
 Number of permits issued 25

Respectfully submitted,

MERTON A. WEBBER

## THE STATE OF NEW HAMPSHIRE

SCHOOL WARRANT

---

To the Inhabitants of the School District in the Town of Newton qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the 3rd day of March, 1960, at six o'clock in the afternoon, to act upon the following subjects:

1. To choose all necessary School District Officers for the year ensuing.

2. To hear the reports of Agents, Auditors and Committees, or Officers chosen and pass any vote relating thereto.

3. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.

4. To see if the district will authorize the school board to make application for and to receive, in the name of the district, such advances, grants-in-aid or other funds for educational purposes as may now or hereafter be forthcoming from Federal, State, local or private agencies.

5. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriations of such sums as are estimated to be received from the state equalization fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

6. To see if the district will vote to construct and equip a one-room addition to the Memorial School; to authorize the school board to execute any and all contracts or agreements necessary and proper or advisable in connection with the construction and equipping of an addition, and authorize the school board to issue bonds or notes in an amount not to exceed twenty-thousand dollars (\$20,000) payable from funds to be raised by taxation for the purpose of financing such construction.

7. To see if the district will vote to raise and appropriate \$350 to pay the first interest payment on the bond issue for the addition.

8. To see if the district will vote to raise and appropriate \$340 to operate the addition to the Memorial School.

9. If article No. 6 does not pass, to see if the district will vote to raise and appropriate thirteen hundred and forty dollars (\$1,340) to provide an additional classroom for the school year 1960-1961.

10. To see if the district will vote to raise and appropriate nine hundred forty-five (\$945) to paint the exterior of the Village School.

11. To see what sum the district will vote to raise and appropriate for the purpose of assisting the Parent-Teacher Association in carrying on the School Lunch Program.

12. To transact any further business that may legally come before the meeting.

Given under our hands at said Newton this fourteenth day of February, 1960.

## Records of Annual School Meeting of the School District of the Town of Newton, March 19, 1959

---

The meeting was opened for balloting at 6:00 P.M. by the Moderator John A. Fenn. The polls were closed at 8:00 P.M. and the business meeting was opened at 8:15 P.M. with the invocation offered by Rev. Elmer E. Young of the Baptist Churches.

**Article 1:** The following officers were elected by Australian Ballot and sworn in by the Town Clerk: Moderator, Edward E. Williams; Clerk, Barbara R. Morse; Treasurer, Otis R. Rowell; School Board Member for three years, John F. Swasey; Auditors, Everett E. Coombs and Everett O. Kelly. There were 75 Ballots cast.

**Article 2:** "To hear the reports of Agents, Auditors, and Committees, or officers chosen, and pass any vote relating thereto." On motion by Mr. Swasey the reports were accepted as printed in the Town Report.

The Moderator invited those standing in the back of the hall to take the empty seats.

**Article 3:** "To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant." On motion by Curtis S. Bates it was voted to accept this article as printed in the Warrant.

**Article 4:** On motion by Clifford R. Bryer, "the School Board was authorized to make application for and to receive, in the name of the district, such advances, grants-in-aid or other funds for educational purposes as may now or hereafter be forthcoming from Federal, State, local or private agencies."

**Article 5:** On motion by Mr. Swasey this article was passed over until action had been taken on Article 6.

**Article 6:** Mr. Swasey moved that this article "to construct and equip a one-room addition to the Memorial School" be accepted as printed in the Warrant.

Wallace B. Nyberg moved that a ballot vote be taken on this article.

After considerable discussion, a ballot vote was taken with 126 ballots cast, 42 yes and 85 no, thus the motion was not carried.

**Article 5:** Mr. Nyberg moved that the Budget be taken up item by item as listed on the last page of the Finance Committee Report, and it was so voted.

**Item 1:** On motion by Ralph E. Roberts this item was accepted as printed.

**Item 2:** On motion by Mr. Nyberg this item was accepted as printed.

**Item 3:** Mr. Roberts moved that this item be accepted as printed. Kenneth A. Field, Jr. amended this motion to include Items 4 and 5 and the motion as amended was so voted.

**Item 6:** On motion by Mr. Nyberg Item 6 was reduced by \$3,700.00.

**Item 7:** John A. Fenn, for the Finance Committee, moved, and it was so voted, "that there shall be deleted from the budget all appropriations for equipment, services, etc., for the additional classroom as set forth in the Finance Committee report with the exception of Item 6 which has already been acted upon. These items are as follows:

Item 19: Additional Teacher's Retirement & S.S.	\$303.89
Item 11: Custodial Labor	151.20
Item 12: Heating	100.00
Item 13: Light Service	100.00
Item 13a: Custodial Supplies	50.00
Item 23: Teacher's Desk, maps, globe	200.00
	<hr/>
	\$905.09

**Item 8:** Mr. Fenn moved that Items 8, 9, 10, 11, 12, 13, 13a, and 14 be accepted as printed, subject to prior motion; and it was so voted.

**Item 15:** On motion by Norman E. Crepeau Item 15 was accepted as printed.

**Item 16:** Mr. Nyberg moved that this item be accepted but that \$1,500.00 be deducted and the amount be reduced to \$5,100.00.

Mr. Bates moved that this motion be amended to read \$6,600.00. The legality of this motion was questioned.

William F. Halliday moved that this motion be amended to read that all contracts of this sort be put out for bids. By a show of hands 51 voted yes and 27 voted no.

Roy W. Bailey moved that after these bids have been received, notice shall be published in the local paper, stating they shall be opened at a certain time and date, and inviting the public to attend and inspect the bids. Mr. Bailey later withdrew this amendment.

James A. Marden moved that the meeting abolish these two motions. The Moderator ordered that Mr. Marden's motion be stricken out.

Mr. Bates moved that the motion be amended to read \$6,599.99.

Mr. Fenn moved that the motion be amended to be reduced to \$1,500.01.

After lengthy discussion as to the legality and merit of amendments which seek only to nullify preceding amendments, it was voted to accept the original motion of Mr. Nyberg, that \$1,500.00 be deducted, and the amount of the item thereby reduced to \$5,100.00.

**Item 17:** On motion by Mr. Fenn items 17, 18, 18a, 18b, 19, 20, 21, 22, 23, 24, 25, and 26 were accepted as printed, subject to prior motion.

**Article 7:** No action was taken on this article because of the action taken on Article 6.

**Article 8:** Mr. Swasey moved "that the district vote to add the services of a Union Art Supervisor." This motion was defeated.

**Article 9.** Mr. Swasey moved "that the district vote to add the services of a Union Remedial Reading Teacher." This motion was defeated.

**Article 10:** Mr. Swasey moved "that the district vote to add the services of a Union Teacher of Special Education." This motion was defeated.

**Article 11:** Mr. Nyberg moved "that the district appropriate \$1,130.00 for the purpose of assisting the Parent-Teacher Association in carrying on the School Lunch Program." and it was so voted.

**Article 12:** Mr. Bates quoted sections of the Public Law regarding the responsibility of the School Board to the children of its district.

Mr. Field moved that the ballot for school district officers be presented to the voters at the same time that they vote for town officers.

Mr. Bates asked permission for Wendell V. Davis, Superintendent of Union No. 55, to speak. Mr. Davis told of other towns in Union No. 55, which had investigated this possibility and found that the state law permits it if the town and school district have separate ballots, separate supervisors of the check list, separate ballot boxes, and the voting is done in separate rooms. Mr. Field withdrew the motion.

After further discussion in which it was stated that Town and School District elections, were now being held at the same time in Kingston, and in Plaistow, on motion by Everett E. Coombs it was voted to present the voters with the ballot for school district officers at the same time that they vote for town officers.

On motion by Mr. Bryer it was voted to adjourn at  
11:30 P.M.

## BUDGET WORK SHEET

---

This is a presentation of the budget work sheet upon which your school board is operating during the 1959-60 school year, and their proposed expenses for the year 1960-61. It must be taken into consideration that monies appropriated in the month of March, to be used the following year do not necessarily correspond in individual items because of the impossibility of projecting the rising price indexes twelve months hence.

## REPORT OF THE SUPERINTENDENT OF SCHOOLS

January 1960

---

To the School Board and Citizens of Newton:

I am presenting herewith my Fourth Annual Report as Superintendent of schools in Newton. A report from the principal will discuss more in detail the activities of the schools. Statistical reports are listed separately.

### PERSONNEL

Last September two new teachers were added to the Newton School system. They were Mrs. Grace Wormwood, Atlantic Union College, with two years of experience, grades two and three; and Anthony Amari, Merrimack College and McGill University, grade seven.

All teachers have continued membership in local, state and national professional organizations. Union No. 55 had 100% membership last year in these organizations and was only one union out of four in New Hampshire that could claim this distinction, which speaks well of the professional attitude of our teachers.

Although teachers' salaries have increased in Newton, they are still below the New Hampshire average for elementary teachers which is \$4,200.00. New Hampshire is \$669.00 below the national average for all teachers. The Massachusetts State Legislature passed, to take effect September 1, 1960, a minimum salary law of \$4,000.00 for all beginning teachers. This law affects Newton and Union No. 55 because of our close proximity to the Massachusetts border. In order to compete in the market for above average teachers we should meet this minimum. The teachers are still the strongest factor in producing better education for our children. Many of our inquiries for teaching positions come

from persons who are natives of Massachusetts communities. These facts we must consider.

I feel very strongly about the need to raise teachers' salaries. The citizens of Newton want the best education possible for their children. If you do not raise the salaries comparable to other communities in this area you will not get fully qualified beginning teachers and you may lose some of your younger experienced teachers.

## CURRICULUM

The courses of study and the textbooks used in the Newton Schools meet the highest standards. Emphasis has continued to be placed on reading and a complete testing program under the direction of Robert Dolph, supervisor of instruction, is in operation. Constant evaluation of these tests permits us to place added emphasis in certain subject areas and help individuals in any particular weaknesses that develop. It is becoming more apparent that a special class in education, for the group of pupils between the trainable and the slow learner, must be provided for, outside the regular classroom. There are pupils who cannot benefit from regular class attendance in Newton who should be helped. A special class can be started on a part-time basis, and I believe such a class should be established. Every child has a right to a full education.

I could mention various ways to improve our curriculum by the addition of new services and new subjects, but they are all secondary to the need for single grades and reduced class sizes. They are urgently needed and until you do it you will not give your children a satisfactory education, and will constantly jeopardize your chances of getting better teachers who are reluctant to teach double grades.

A summer school program was offered last year in the Union for pupils who need extra help. It may be continued this coming summer if parents are interested.

The National Defense Act makes it possible to improve the curriculum in several areas, notably science. The Fed-

eral Government will contribute approximately \$375.00 or any part to Newton, under the Act, provided we match it dollar for dollar. We should avail ourselves of this opportunity to purchase science equipment that we might not otherwise afford.

### SCHOOL BUILDINGS

Your School Board has continued to maintain and improve the physical conditions of the school buildings and improve the grounds as well.

The greatest need for Newton is to add one additional room to the Memorial School which will give Newton eight classrooms for eight grades, and eliminate double grades. The total cost will be approximately \$20,000 to be spread over any number of years the town desires. The State of New Hampshire will pay approximately 30% of the capital payment. That means that for a ten year period, it will cost Newton about \$1,400 a year plus interest for this construction.

If the citizens of Newton do not wish to build, I strongly urge that they permit the School Board the opportunity to negotiate for the rental of a room in any area in town that has the quarters best suited for a classroom. I hope some action can be taken in this respect so that the children of Newton can have a better opportunity to learn.

### COMMUNITY ORGANIZATIONS

The Parent-Teacher Association deserves much commendation for its positive support of the school program and for continuing the federally-aided school lunch program for the children. Appreciation is also expressed to the Garden Club, the Lions Club and other civic groups for their continued support.

I wish to thank the School Board, teachers and children for their cooperation in making our work successful.

Respectfully submitted,

WENDELL V. DAVIS,

Superintendent of Schools.

## REPORT OF THE PRINCIPAL

To the School Board and to Mr. Wendell Davis, Superintendent of Schools:

I herewith present my annual report of the Newton schools. In summarizing the activities of the past school year, we find that definite objectives of education have been followed to promote pupil growth which invariably will lead to the making of good, useful citizens in our community.

A strong emphasis has been placed upon the improvement of skills and abilities, the development of desirable characteristics of good citizenship, the broadening of children's interests, and the development of attitudes conducive to safe living.

An outstanding forward step this year has been the establishment of single grades in grades seven and eight at the Memorial School. On the other hand a definite backward step has been made in grades one through six where once again we are back to double grades with very large enrollments. In our every day teaching we aim to develop the maximum potential of each pupil but under the above conditions individual help has been at a minimum. Another classroom is definitely needed and at this time seems to be the only solution to the problem of bettering the educational achievement of our children.

To cope with our changing program of instruction new methods, new textbooks, and many supplementary materials have been introduced. More progress can be looked for in science because of the purchase of a movable science cabinet with a lab kit. New reading, language, science and arithmetic series have also been added at all class levels. Audio-visual programs by way of film strips and films are planned and presented to augment our regular courses of study for visual aids have become an integral part of our program.

Vocal music, health and safety education, hot lunch and the sale of savings stamps supplement our regular instructional program.

Miss Ann Treadway, vocal music supervisor, has presented a fine program of music at the various grade levels in Newton. Her main emphasis this year has been on developing musical skill and appreciation. It is the goal of the music program to help each child develop his ability so as to be able to enjoy and understand good music by actively participating in it. At the respective class levels the children learn rhythms, read notes, listen to records and discuss the various aspects of music. Our newly organized Glee Club under the able direction of Miss Treadway, has participated in several Parent-Teacher Association programs and graduation music.

Mrs. Gwendolyn Banks, school nurse-teacher, continues to capably supervise our health program. Yearly vision and hearing tests, color perception in grade five and the tuberculosis Patch tests in grades five through eight made up the bulk of her program. She also assisted with first aid, made home visits, and supervised clinics. Annual health examinations were given by Dr. Harris of Plaistow with the assistance of Mrs. Banks in grades one-four-eight. Audio-visual programs and classroom discussions on safety, hygiene, nutrition, vision, hearing and posture are presented at the teachers' requests during the year.

Our hot lunch program was resumed once again during the last week of September. Kitchen personnel this year consists of Mrs. Harry Paige, manager and cook; Mrs. Martha Jackman, helper, and the carrier Mr. Clarence Green. The Class A. lunches, well prepared by Mrs. Paige, continue to be very popular with the children. Due to increased costs and a decrease in surplus meat products from the federal government it has become necessary to raise the weekly price to the children. This change in price becomes effective after the Christmas vacation.

Interest in the purchasing of Saving Stamps is evidenced by the number of pupils who participate in the pro-

gram. No doubt the primary purpose of the program is to sell as many stamps as possible but it is also helping to promote the concept of thrift and systematic savings.

In addition to the above services offered in our schools a number of special events are also held. We have participated in the county spelling-bee, taken field trips, held graduation, observed special occasions and contributed to many worthy causes.

This year for the first time we entered the Rockingham County Spelling Bee held in Exeter last spring. Diane Melville, our fifth grade entrant, competed in a group of over thirty school champions. We found it to be a rewarding experience and have already entered our school in the coming contest which is to be held again in April.

Last spring educational field trips were made by all the children in Newton. Worthwhile trips were made to Benson's Animal Farm, Pease Air Force Base, University of New Hampshire, Old Ironsides, Science Museum, the N. H. State Capitol, Motor Vehicle Department, a session of the N. H. General Court and the State Prison in Concord. Trips were planned according to areas of study in the respective grades.

Graduation exercises were held in the Town Hall on the fifteenth of June. The theme of the program "Outstanding Presidents of the United States" was developed by appropriate essays and songs. The Good Citizenship Medal presented by the Sons of American Revolution was awarded to Gary Standing. Of the fifteen graduates one is enrolled at Lynnfield, Mass. High School, two at Pentucket Regional, nine at Sanborn Seminary and three at Amesbury High. Class Day, sponsored by the Newton Parent-Teacher Association, was held at Canobie Lake followed by a dinner at Seabrook.

Fire Prevention, American Education, and Book Weeks along with special days are regularly observed with appropriate programs.

Children also have made contributions to the Junior

Red Cross, March of Dimes and the Crippled Children's Association during their drives.

In conclusion I again thank the School Board, the superintendent, helping teacher, school personnel, parents, friends and community organizations for their continued cooperation in making the work of our schools enjoyable and successful.

Respectfully submitted,

MARION KALASHIAN,

Principal
